

Architectural Film Installer

Are you hungry to learn the new skill of film installation? Or are you an experienced film installer? Surfacequest is looking for detail-oriented people to install Architectural Fusions across the country - no experience required.

About Surfacequest

Surfacequest is the nation's leader in Architectural Fusion applications. You will have the opportunity to travel to different locations, work on various job sites and be part of a growing and energetic team. If you have strong attention to detail and enjoy new challenges, you'll love working at Surfacequest.

What Are Fusions?

Architectural Fusions are micro-thin, architectural overlays that come in over 2,000 patterns designed to emulate natural materials such as wood, stone, metal, fabric, and leather. Visit www.surfacequest.com to see a sample of the types of projects you will install.
